

Company **PROFILE 2021**

*Time is money...
We can save you both!*

About us

Since 2018

BlanCargo is a privately owned logistic company located in **Budapest, Hungary**. Our fresh and dynamic team focusing on the matching point of our customer's needs and the most dependable and efficient way of the requested service. Because **time is money... and we can save you both!**

Our Vision

w w w . b l a n c a r g o . c o m

YOUR RELIABLE PARTNER

There is no better feeling when you know you have a reliable agent or partner on the other half of the world. You can be sure that your cargo is in professional hands! Exactly this is the feeling we want to provide to our customers. **Our vision is to become Your full-range logistic partner in Eastern Europe, having your 100% trust in our team.** Trust must be earned but we are ready to prove!

CAN-DO !

We are proud of our “can-do” attitude, which helps us to develop our scope of vision and experience on every layer of international freight forwarding. **New challenges and time-consuming projects are more than welcome.** Instead of putting them on the side, we find a way to support our customers.

WHY WE ARE DIFFERENT?

By 2025, BlanCargo will have grown to be a 5 million € turnover company and one of the **few 100% Hungarian-owned air and ocean transport and logistics service provider**.

BlanCargo operates a **seamless worldwide network** of its own offices in Eastern - Europe and closely cooperating agents around the globe. We deliver general logistics services and special industry solutions at the highest service level.

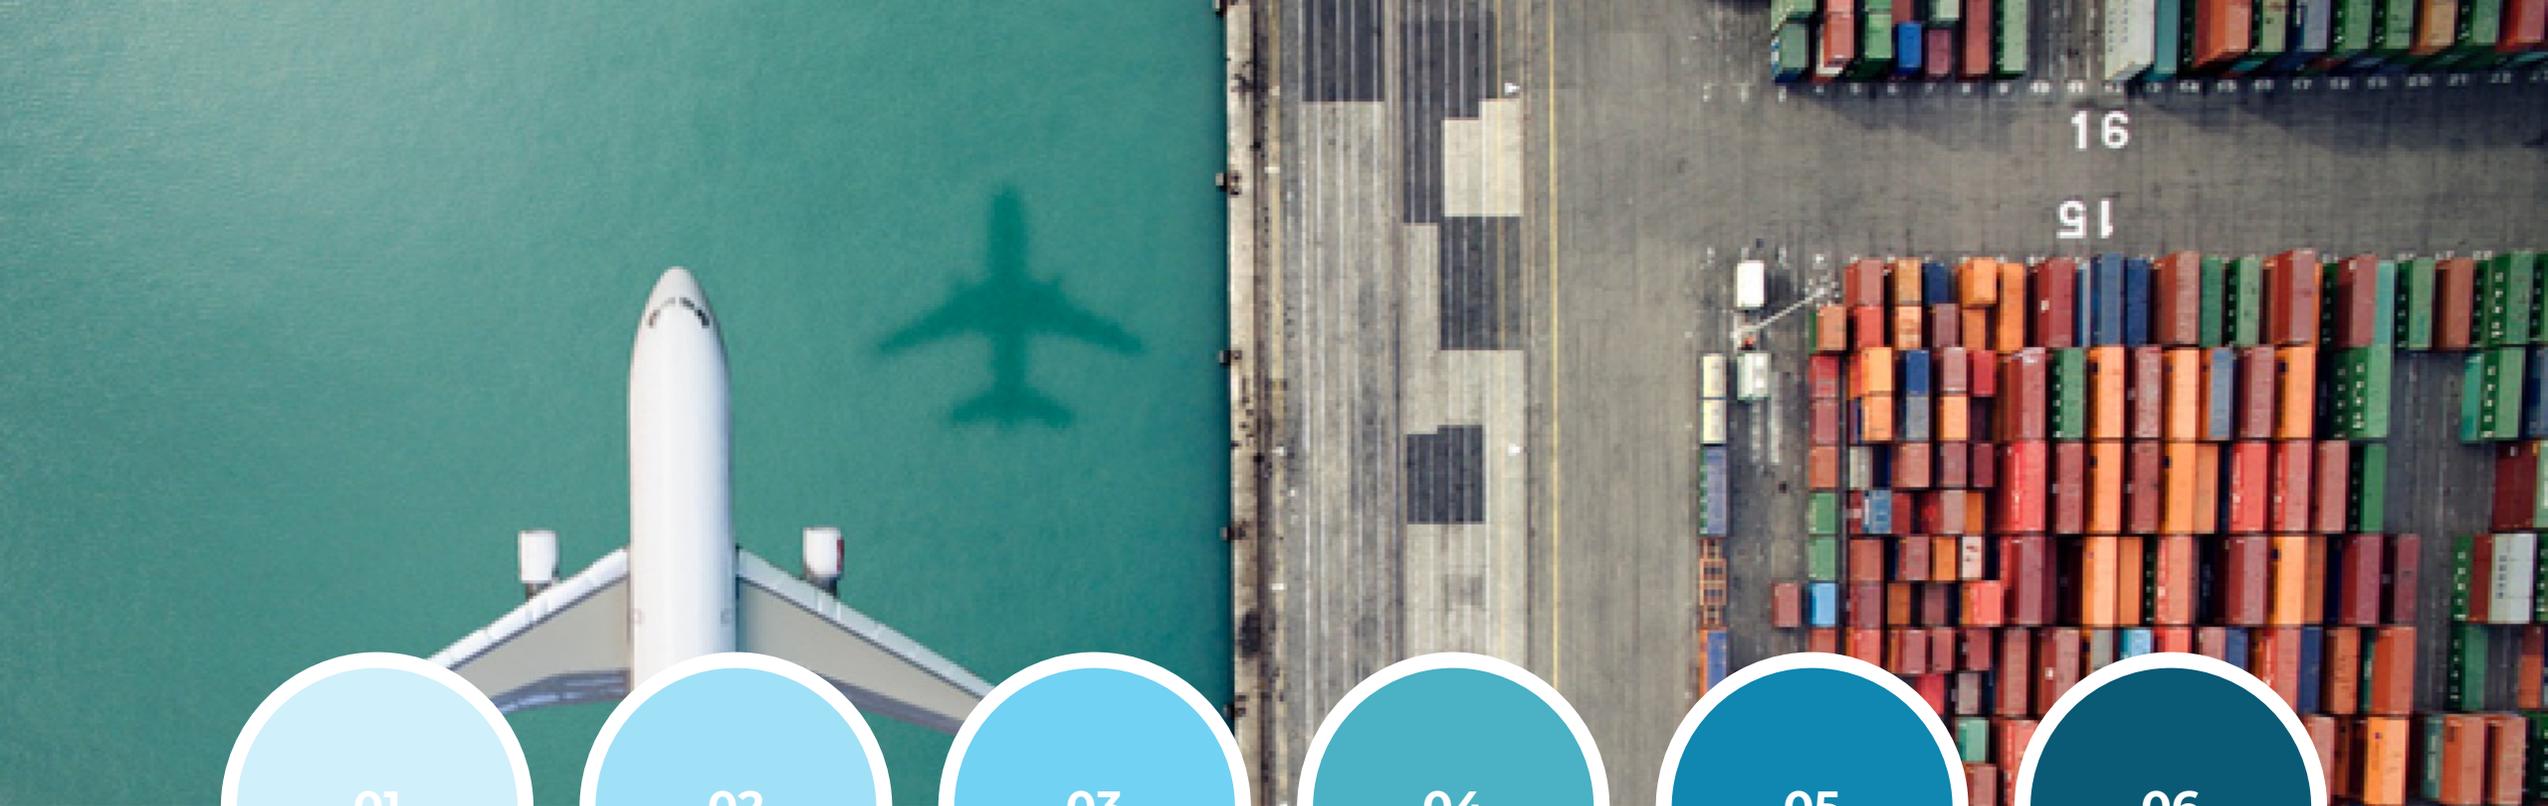

We are committed to the **newest digital IT solutions** in the industry which can help us to achieve the future goals that we set up for ourselves year by year. Because when we make up our mind to do something we accomplish it ... **this is why we are different!**

In 2020 we decided to decrease our paper usage by at least 50%. Due to our digital developments we could bring it down **by 85% in 2021**.

Our Mission

01

**Air
Freight**

02

**Sea
Freight**

03

**Road
Transport**

04

**Rail
Transport**

05

**Customs
clearance**

06

**Warehouse
services**

When we have created our line of services, we had one clear vision, to become a full-range info-logistics provider offering a comprehensive portfolio to our customers. Air, sea, land, and rail transport solutions, as well as additional products of customs clearance, warehousing, insurance and courier services, are handled by our professionals.

AIR

- General Cargo
- Time-critical cargo
- Temperature-controlled cargo
